HONGKONG LAND HOLDINGS LIMITED PROPOSED SHARE BUYBACK PROGRAMME

Hongkong Land Holdings Limited (the 'Company') today announces its intention to invest up to US\$500 million in a share buyback programme (the 'Programme') extending until 31st December 2022. The company's ordinary shares will be repurchased by the Company, in accordance with powers under the Bermuda Companies Act and the constitution of the Company. In accordance with the Company's current practice, details of any repurchases made by the Company will be provided to the market via regulatory announcements and published on the Company's website. The purpose of the Programme is to reduce the capital of the Company. As the holding of treasury shares is not provided for in the Company's constitution, any shares which are repurchased by the Company will be cancelled.

The buyback is in line with Hongkong Land's long-standing capital allocation practice which is to prioritise:

1. investment in new assets to drive long-term growth and shareholder value;
2. continued payment of steady and, over time, increasing dividends; and
3. investment in existing assets on an opportunistic basis, including through share buybacks.

The Group has and remains committed to retaining a strong balance sheet which provides financial resilience through the cycle.
